NOTE: Also many of the new French Hybrids to
offer in limited quantities.
Gooseberry, raspberry and currant plants
in leading varieties.

ALDEN—Vine vigorous and productive; yielding large clusters with reddish black berries. Flesh juicy, meaty, tender, sweet, vinous and of excellent quality. Ripens during late September.

BUFFALO—Vines vigorous and very productive. Bunches of medium size with black oval berries. Flesh juicy, very sweet, slightly foxy, suitable for dessert and wine. Ripens early September.

FREDONIA—Vines vigorous and productive, yielding large bunches with large black berries. A leading market variety.

ONTARIO—Vines vigorous and productive. An excellent early white grape for table and wine purposes.

PORTLAND—Earliest of the white varieties. Bunches large and compact. Fruit very pleasing to the taste, sweet.

SENECA—Vines vigorous and productive. A very high quality early white grape.

SHERIDAN—A late keeping black grape of fine quality. Vines hardy and very productive. Bunches large and compact. Follows Concord in ripening.

STEUBEN—An excellent variety for table and marketing purposes. Vines vigorous and productive yielding long tapering clusters. Fruit of fine quality. Ripens with Concord.

VAN BUREN—Earliest of the black varieties ripening late August or early September. Vines hardy vigorous and very productive. Fruit of good quality and tender skin.

BRONX SEEDLESS—A red seedless of good quality. Bunches long and tapering; berries large and light red in color. Ripens late September.

CONCORD SEEDLESS—Fruit resembles Concord in color and flavor but clusters and berries are smaller. Good pie stock.

INTERLAKEN SEEDLESS—A white seedless of good quality. Fruit ripens to a rich yellow during early September.

ROMULUS—Vine hardy and productive. Clusters large compact; berries small yellow sweet. Ripens about two weeks later than Interlaken Seedless.

SEIBEL 5279—Vines vigorous and very productive yielding white grapes of nice appearance and excellent quality. Ripens early September. A very promising new French Hybrid.

SEIBEL 9110—Another popular French Hybrid. A yellow variety highly desirable for table and wine purposes. Berries medium in size crisp and of excellent quality. Ripens early September.

ACCEPTANCE OF ORDERS—It is mutually understood and agreed between the purchaser and us that all orders accepted by us are subject to the following conditions, viz:

1. We guarantee all stock to be in good healthy condition at the time and point of shipment.

2. We shall not be held liable for loss of or damage to stock in transit.

3. We warrant all stock true to name and of quality represented, with the express understanding and agreement with the purchaser that, should any prove not true to name we will refund the money paid, or will replace with other stock, but shall not be liable to damages other than herein stated.

4. The purchaser waives all claims and damages against us resulting from failure to fill orders where delivery is prevented by the loss of our stock by fire or the elements before shipment.

5. All orders shall be filled subject to the above conditions.

SHIPMENTS—All shipments are made in accordance with regulations established in the areas of destination.

PRICES—As prices are based on quantities ordered, quotations can only be given when this information is available.
